Your Choice for ... Staying in Your Home

You have worked hard your entire life to enjoy your retirement years in the comfort of your own home. Home is where we choose to live our lives, to watch the days unfold in a comfortable familiarity.

Your Choice for ... Peace of Mind

Plan today for the uncertainties of tomorrow, achieving real peace of mind. The best time to begin putting a plan in place is when you are healthy and independent. As a vital, active adult, you are able to enjoy your home, your community and most importantly your independence.

Planning for your future now will provide you with the security of knowing that your future will be planned by you, providing peace of mind to you and your family.

*Maintain your independence,
Remain in your home.*

Your Choice for ... Financial Protection

LifeChoices® provides a lifetime of comprehensive financial protection. Long-term healthcare is expensive. As costs continue to rise, LifeChoices® is designed to protect you from the uncertainties of those spiraling costs. You have the assurance of knowing that our services will be available to you when you need it, at a fraction of the cost of paying separately for these services.

With one simple call to your LifeChoices® Advocate, you will have the resources you need available to you, when you need them. No confusing forms or claim forms to process.
