

CAREGIVERS at Bethany Life

AN APPEAL

CAREGIVER. Nine letters which come together that define a vision of compassion, sacrifice and courage. Nine letters that give so much love for so little in return. *Who are these people who look out **beyond** themselves, instead of looking out **for** themselves?* Who are these people who give when others turn away? These are the **CAREGIVERS** in our community. You may know a few. Have you taken the time to thank them?

Bethany Life **CAREGIVERS** come from all backgrounds; yet there is a common thread that holds them together. Early on they all learned the meaning of benevolence. **They hold in the highest regard that other people need their open arms and demonstrate their willingness to step forward.** They serve. Our **CAREGIVERS** sincerely and truly care.

The Bethany Life **CAREGIVERS** daily demonstrate patience and understanding in often the most challenging circumstances. **They do what they do, not for financial reward or fame, but because they have a job to do; a job where they find the reward of sharing human kindness and love.** Every day is a challenge that can bring smiles or tears. Our **CAREGIVERS** wake each morning not knowing what lies ahead. It takes courage; but there is passion in their hearts; commitment in their souls.

Bethany Life Caregivers need to be nourished and respected by all of our community. Each and every one of us. They need for all of us to stand up and applaud their service.

Will you open your arms to them?
