

Excellence in Nursing Scholarship Awarded

On Friday, November 4, 2016, the Bethany Life Foundation awarded an Excellence in Nursing scholarship to Paul Mwaniki of Boone, Iowa. Paul has been an employee of Bethany Life for six years, working as a CNA and CMA, and is currently studying for his nursing degree. Married, with a young son and daughter, Paul remarked “I really like what I do and like the residents that I meet. I enjoy hearing their stories and learning about their lives.”

Paul’s scholarship was awarded by Scott Saienga, who currently serves on the Bethany Life Foundation Board of Directors. A regular supporter of the Excellence in Nursing Fund, Scott is committed to supporting Bethany Life, particularly in the area of employees who are dedicating themselves to furthering their education, allowing them to continue to serve our residents in more advanced capacities. Scott & his wife Vicki invite people in the Story City and Ames area to join them in their efforts to make nursing and similar degrees and certifications more affordable for Bethany Life employees by giving to the Excellence in Nursing Fund.
